

FY 2011 – 2012 NACUA Institutional Dues Structure

Dues are based on institutional enrollment and expenditure levels for the most recent past academic year available, as reported by your institution to the U.S. Department of Education in the Integrated Postsecondary Education System Enrollment and Finance Surveys. Please note that dues are based on full-time equivalency enrollment (FTE).

If you have any questions regarding your dues category, please contact Membership at 202-833-8390 or by email at membership@nacua.org.

The NACUA membership year runs from September 1 through August 31.

International institutional dues are \$695 annually regardless of institutional enrollment or CFE, and these institutions are entitled to a Primary Representative plus two additional representatives.

*This number includes your designated Primary Attorney Representative. For additional attorney representatives beyond this allotted number, an additional dues amount of \$175 is assessed per attorney.
