

THE JOURNAL OF COLLEGE AND UNIVERSITY LAW

This country has witnessed great changes and challenges in education law during the past decade: judicial decisions have changed student and faculty rights and their relations with institutions; colleges and universities have entered an era of severe financial constraints with many legal ramifications; and Congress has dictated new procedures and requirements for serving members of protected classes. The professionals who deal with education law need a resource to keep current on this burgeoning body of law.

The *Journal of College and University Law* is such a resource and, in fact, is the only law review devoted totally to the concerns of higher education. If you do not subscribe at present, or if you receive your subscription online and want to receive a hard copy of each issue, send in the application below—and please pass the subscription information on to someone you know who may benefit from the *Journal*.
