

**NATIONAL ASSOCIATION  
OF COLLEGE AND  
UNIVERSITY ATTORNEYS**

---

The National Association of College and University Attorneys (NACUA), established in 1961, is the primary professional association serving the needs of attorneys representing institutions of higher education. NACUA now serves over 4,800 attorneys who represent more than 1,800 campuses and 850 institutions.

The Association's purpose is to enhance legal assistance to colleges and universities by educating attorneys and administrators as to the nature of campus legal issues. It has an equally important role to play in the continuing legal education of university counsel. In addition, NACUA produces legal resources, offers continuing legal education programming, maintains a listserv (NACUANET) and a variety of member-only web-based resources pages, and operates a clearinghouse through which attorneys on campuses are able to share resources, knowledge, and work products on current legal concerns and interests.

Accredited, non-profit, degree-granting institutions of higher education in the United States and Canada are the primary constituents of NACUA. Each member institution may be represented by several attorneys, any of whom may attend NACUA meetings, perform work on committees, and serve on the Board of Directors.
