**Crosswalk for the *Student Version and The Law  
of Higher Education,  
Fifth Edition***

*The crosswalk below directs interested readers from particular sections of the Student Version to the parallel section or sections in The Law of Higher Education, Fifth Edition. Since LHE 5<sup>th</sup> is a larger work (2 volumes), it contains more citations of resources and more case examples than the Student Version. This additional material in LHE 5<sup>th</sup> may be useful to instructors preparing classes and to students engaging in research or independent study. In addition, LHE 5<sup>th</sup> includes various sections covering topics—usually specialized topics of primary interest to practitioners—that are not treated in the Student Version. Although these additional sections in LHE 5<sup>th</sup> are not shown on this crosswalk, interested readers may view the entire Table of Contents of LHE 5<sup>th</sup> by going to the NACUA Web site that supports LHE 5<sup>th</sup> and the Student Version (see “Notice of Web Site and Periodic Supplements,” previously in the front matter).*
