Eligibility Requirements

Attorneys and Other Administrators from NACUA Member Institutions:

If you are an attorney or another administrator from a NACUA Member Institution or Associate Member Institution, or if you are an Associate Individual Member, you are eligible to register for this workshop at the member rate. If you are not currently listed as a NACUA member on your institution's official membership roster, you must include a signed letter from your institution's Primary Representative with your registration form (to view a sample letter click here). NACUA will then confirm your eligibility to attend prior to processing your registration. To find out the name of your institution's Primary Representative, email membership@nacua.org.

Attorneys and Other Administrators from Non-Member Institutions:

You must be an attorney or other administrator currently representing or employed by a non-profit accredited college or university to be eligible to attend the workshop. Non-member attorneys or other administrators representing or employed by colleges or universities that are not NACUA Member Institutions must include a letter with the following information with your registration form:

1. Confirmation that you currently represent or are employed by a non-profit accredited college or university (to view a sample letter click here); and
2. Affirmation that you meet NACUA's eligibility requirement.

All non-members must send their registration forms to Sarah Romano's attention (sromano@nacua.org). NACUA will contact all non-members directly to notify them about the status of their registration and to gather additional information, if necessary. Registrations will not be processed until the required information above is received by NACUA.
